

SBPO 2025 Challenge

Sprint phase results

April 15, 2025

We would like to warmly thank all the teams for their participation in this challenge. Remember, even if you did not participate in this phase, you are still welcome to join us in the upcoming phases of the competition!

1 Best Solutions Per Instance

The following table shows the best objective value achieved for each problem instance and the teams that obtained this best result. When multiple teams achieved the same best value (within a tolerance of 10^{-4}), all are listed:
